

Comfort Series Fan Coil

Key Features

Environmentally sound Puron® Refrigerant or R-22 refrigerant Systems
Puron Refrigerant or R-22 refrigerant specific Thermostatic Expansion Valve metering device
Foil-faced insulation
High efficiency fixed speed fan
Enhanced indoor air quality
Optional electrical resistance heat
5-year limited warranty

Product Specs

FF1ENE

- **Performance**
 - Warranty 5-year limited parts
 - Cooling Capacity (BTUH) 18,000 - 36,000
- **Controls**
 - Controls Supported Standard Thermostat
 - Diagnostics --
- **Technology**
 - Refrigerant R-22
 - Features --
 - Filter Washable Filter
 - Blower Standard efficiency, fixed speed
 - Installation Multipoise
- **Aesthetics**
 - Construction 20-gage galvanized
 - Paint Baked on urethane base coat and polyester top coat

FF1ENP

- **Performance**
 - Warranty 5-year limited parts
 - Cooling Capacity (BTUH) 18,000 - 36,000
- **Controls**
 - Controls Supported Standard Thermostat
 - Diagnostics --
- **Technology**
 - Refrigerant Puron® Refrigerant
 - Features Thermostatic Expansion Valve
 - Filter Washable Filter
 - Blower Standard efficiency, fixed speed
 - Installation Multipoise
