Elite® Series XC13 Air Conditioner

Innovation never felt so good.™

Efficient design can result in significant energy savings

Dependable Copeland Scroll™ Compressor provides smooth, efficient and reliable operation

Ozone-responsible R410A meets the EPA's (Environmental Protection Agency) most stringent environmental guidelines

ENERGY STAR®-qualified

The XC13 air conditioner proves that home comfort and environmental responsibility can go hand in hand. Engineered with the new, chlorine-free R410A refrigerant, the XC13 provides exceptional comfort and is environmentally responsible. This refrigerant meets the EPA's strictest standards for ozone and climate protection.

THE IDEAL CHOICE FOR YOUR HOME ENVIRONMENT AND GLOBAL ENVIRONMENT.

Designed to deliver more comfort for your energy dollar, the XC13 has efficiency ratings of up to 15.00 SEER. At the heart of the system is a Copeland Scroll Compressor, which provides smooth, efficient and reliable operation.

EFFICIENCY RATING

Up to 15.00 SEER (Seasonal Energy Efficiency Ratio).

WARRANTY*

10-year limited warranty on the compressor.

5-year limited warranty on all remaining covered components.

*Applies to residential applications only. See actual warranty certificate for details.

3-YEAR COOLING SAVINGS

15.00 SEER XC13 air conditioner, compared to older, less efficient units

This chart compares the 3-year savings you can expect from an XC13 air conditioner vs. units with lower efficiency ratings, based on a 36,000 Btuh/3 ton unit (EPA Region 9). Your actual savings will vary depending on the weather, local fuel rates, indoor coil and your lifestyle.

INNOVATIVE FEATURES FOR ENHANCED COMFORT AND EFFICIENCY

Precision-Balanced Direct-Drive Fan –

Delivers quiet operation.

High-Efficiency Outdoor Coil –

Provides exceptional heat transfer and low air resistance for high-efficiency operation.

Dependable Copeland Scroll™ Compressor –

Provides smooth, efficient and reliable operation.

Durable Steel Cabinet –

Made to last with an attractive, high-quality textured paint finish.

Drainage Holes –

Prevent damaging moisture from collecting inside the basepan.

SmartHinge™ Louvered Coil Protection–

Allows quick, easy access to interior components from all sides, so the unit can be serviced in minimal time.

Note: Due to Lennox' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice.

Many Lennox® home comfort systems meet ENERGY STAR® requirements when used with appropriate components. Ask your dealer for details.

Certification applies only when used with proper components as listed with ARI

CONTINUOUS COMFORT NETWORK

Lennox® heating, cooling and indoor air quality products are designed to provide efficient, economical comfort—not only as individual units, but also together as an integrated system. This combined network of products delivers on every comfort count, from consistent temperatures and balanced humidity to improved indoor air quality.

DEALERS YOU CAN COUNT ON

Choosing the right dealer for your heating, cooling and indoor air quality needs is every bit as important as choosing the right brand. We think you'll agree our independent dealers are a big reason you can count on quality customer service when you call.
